
UNIVERSITY STATEMENT

19 September 2019

Dear students and staff

We are aware that there are a number of fake University statements that are being circulated, which are designed to replicate official DUT communiqués.

The University would like to remind all students and staff to only access official DUT statements via:

- DUT PinBoard email system (staff)
- DUT4life email system (students)
- DUT Staff Portal
- DUT Student Portal

The University does not release any statements on What's App or on any other third-party platform.

If you receive statements that claim to be from DUT, especially via social media, please verify the statements on our official communication channels for students and staff:

- DUT PinBoard email system (staff)
- DUT4life email system (students)
- DUT Staff Portal
- DUT Student Portal

Sincerely

DUT Communications Team
