

MEMORANDUM

To:	DUT Community	From:	Office of the Registrar
		Date:	03 October 2019
Subject:	Clarity on late registrations		

The university has been generous in allowing late registration for students who had financial and other various challenges with registration. Students were granted an extended period to finalize their registration.

In order to ensure the integrity of our academic programmes and administrative process related to assessment and examinations, this memo serves to remind the DUT community that all late registrations for the 2019 academic year are now closed.

Please be advised that no further appeals for late registration will be considered.

Further to the above, please be advised that unregistered students will not be permitted into the examination venues.

Thank you
